Upper Key Stage Two learning

Mymaths- lessons and tasks set up for year 5 and year 6 for both days

English

Tuesday: read through the winter poetry examples which look at using different features. They then use the 'collecting ideas' sheet to go out into their garden or nearby park if possible to collect their own ideas for a poem.

Wednesday: use these ideas to choose which type of poem they want to write from the examples read and write one of their own, illustrating it to bring in to school on Thursday.

Afternoon activities:

1. Just Dance - choose some activities to do
2. Design and draw a 'Winter Wonderland Park'. This can be any type of winter park as long as it is showing all the fun activities you can do during winter. Use your imagination!!
